

Hello

Firstly, my apologies if this is an unwanted email – please do let me know and we'll take you off our list immediately.

I hope news about my new series and literacy resources will help the children you work with develop an enjoyment of reading for pleasure.

I am writing another free live story in the summer term with the National Literacy Trust. It will be set during the **Euro 2016 football tournament and the main characters will be school pupils on a battlefield tour and First World War soldiers**. This is to tie in with this July's centenary of the Battle of the Somme. Please email me back for a reminder when chapter one is released.

There's also more information below about the chance to win me as your Patron of Reading!

Please do pass this on to other teachers, librarians or organisations who may be interested. Please email me back with any questions or to order a free poster pack.

Find out more at www.tompalmer.co.uk or via twitter [@tompalmerauthor](https://twitter.com/tompalmerauthor).

Thank you for your continued support.

NEW Wings series

The Wings series is about four children at a football summer camp, who find themselves propelled back in time. If they can learn how to fly the great RAF planes – the Sopwith Camel, Spitfire and Typhoon - history will lead them on a flightpath back to the present.

“Wings: Flyboy is a wonderful, warm tale. Stories highlighting the diversity of Britain’s troops during both world wars

are rare and this one deserves a wide audience. It is a cracking read.” Bali Rai

Wings 2: Spitfire 15 June 2016

Testimonials

"Over the Line is a stunning look at the life of a real footballer who fought in the First World War as a member of the Footballers' Battalion and was the first of the modern professional footballers. It's not exclusively for those with dyslexia but it's as good as a book gets if you do suffer." **Bookbag**

"I have been downloading Tom's fantastic episodic story from the Literacy Trust website. I just wanted to drop him a line to tell him how brilliantly his story is going down at our school. Every morning I have children, particularly the boys, running up to me to check that I have downloaded and printed out the latest chapter of the story. The feedback from all the teachers is really positive, they tell
