

# CELEBRATE THE SIX NATIONS

with books by Tom Palmer

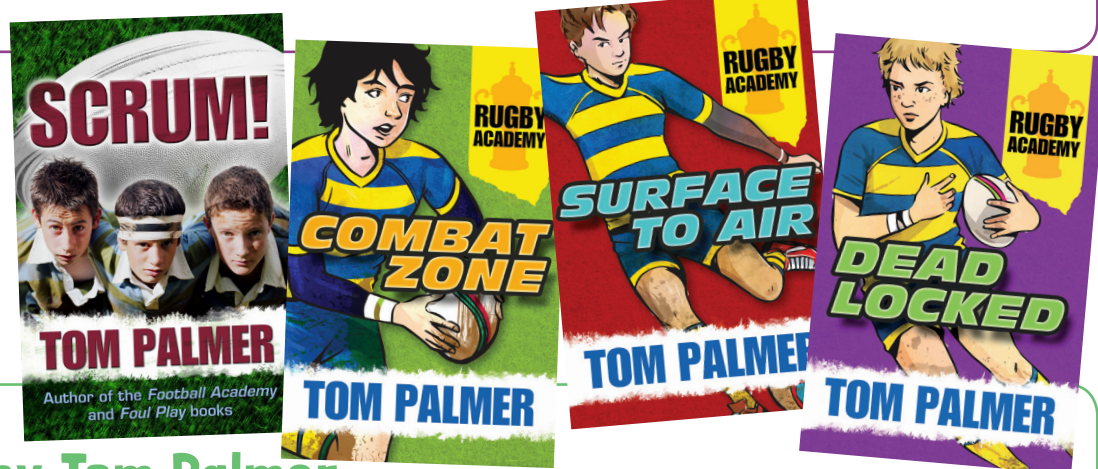

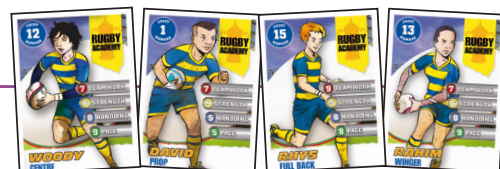

## Ruck 'n' Roll

Get yourself ready for the thrills of the upcoming Six Nations (starting 6 February 2016) with these *scrumtuous* rugby titles from star writer Tom Palmer.

Kick off your read with **Scrum**, the story of a rugby-mad boy whose loyalties are tested when he is forced to choose between two parents, two lives, and two codes — League or Union?

Then make a salute to the sport and to the families of the RAF with the **Rugby Academy** trilogy: **Combat Zone**, **Surface to Air**, and **Deadlocked**. Follow the lads of Borderlands as they make their way from their school pitch all the way to the National, European and World Championships — all while dealing with the emotional struggles that come with having a parent on active duty during a time of international conflict. Get all three books and complete the set of detachable cards featuring Borderlands' First XV superstars.
