

# Angel of Grasmere by Tom Palmer published May 2024

In “Angel of Grasmere” it appears that someone or something is mysteriously performing much needed acts of kindness for the Grasmere village community during the Second World War.

Here are some paper angels for you to cut out and decorate and some more ideas:

- Think of an act of kindness each angel could do to make the world a better place. Write it on the back
- Make a display of them against a backdrop of Cumbrian mountains and lakes
- Or make a display of them where you think your angels are most needed to help the world today
