

If The Invader Comes by Tom Palmer

Can you spot Cilla, Bobble and Cadan on the fishing boat, Iris? In “If The Invader Comes” the children take over the nightly patrols around the coast of Cornwall and have lots of adventures where they save refugees from a sinking boat and report enemy E-Boats.

Colour in their boat “Iris”. Now its your turn to imagine Cilla, Bobble and Cadan’s next adventure. You could add other vessels - big ships or small. Or marine life - whales, dolphins and seabirds of your choosing. You could add a setting sun, the night sky full of stars or the morning sunrise and whatever else you imagine around them.
